

February 2006
Employee of the Month

Troy Farmer

The selection committee respectfully requests that Troy Farmer of Dublin Elementary School be named as Employee of the Month for February 2006. Troy has been an employee of Pulaski County Public Schools for three (3) years as a custodian at Dublin Elementary School.

Troy was nominated by several of his friends and colleagues. He is an outstanding custodian who takes pride in his work and performs all his duties to the highest degree. His nominators say that Mr. Farmer willingly and consistently performs above and beyond his official job description. They report that Troy is always extremely thoughtful and considerate and strives to make sure that each room and all areas of the school look the greatest.

Mr. Farmer is always available to assist teachers and staff with custodial issues, but one of his nominators says that this isn't the most noticeable thing about him. The nominator continues that Troy is a kind and generous man who is a helpful friend to both adults and students.

Mr. Farmer's contributions to Dublin Elementary School's students, staff and parents reflect great credit on himself and the Pulaski County Public Schools.
