**Mary Jane Austin – Central Office**

The selection committee respectfully requests that Mary Jane Austin, central office staff, be named as Employee of the Month for February 2007. Mary has been an employee of Pulaski County Public Schools for three (3) years. She was a custodian at Pulaski County High School and is currently the custodian for both buildings at the central office.

Mrs. Austin was nominated by several of her friends and colleagues. She is an outstanding custodian who takes a personal interest in not only the cleanliness and maintenance of the offices and buildings but in always doing her best to make sure that all the needs of the central office staff are being met. She greets each person with a smile and encouraging words.

Mary Jane is always available to assist with custodial issues, but one of her nominators says that this isn't the most noticeable thing about her. The nominator continues, "Mary Jane is a joy to be around. Her contributions as a custodian make the people around her appreciate and respect her. We all feel fortunate to know and work with her." Mrs. Austin's contributions reflect great credit on herself and all employees Pulaski County Public Schools.
