

Employee of the Month
December 2008

Frances Duncan – Dublin Middle School

The selection committee respectfully requests that Ms. Frances Duncan be named Employee of the Month for January 2009. Ms. Duncan has been an employee of Pulaski County Public Schools since 1984 with all her years of service as a school nutrition worker at Dublin Middle School. Ms. Duncan is a member of the School Nutrition Association.

Frances is a very dedicated employee and a friend to everyone. Visitors to the cafeteria are always greeted by Frances with a smile and are soon talking and laughing with her. She is a prime example of an excellent employee. According to her supervisor, Frances is the "girl everyone wants to sit with at lunch".
