

Employee of the Month
March 2008

Jeff Felts – Pulaski County High School

The selection committee respectfully requests that Mr. Jeff Felts of Pulaski County High School (PCHS) be named as Employee of the Month for March 2008. Jeff has been an employee of Pulaski County Public Schools for four (4) years and is currently a custodian at Pulaski County High School.

Jeff was nominated by several of his friends and colleagues who call themselves “a tough bunch of women to please!” These nominators say that Jeff is an outstanding custodian who takes a personal interest in not only the cleanliness and maintenance of the school but in always doing his best to make sure that all the needs of the faculty, students and staff are being met. He meets each person with a smile and encouraging words. Jeff has a great attitude and his nominators say they can always count on him to attend to any custodial need.

Mr. Felts is always available to assist the teachers and staff with custodial issues, but his nominators say that this is not the most noticeable thing about Jeff. They say, “If we all approached our jobs with his positive attitude, our school system would be stronger and so much more effective.”

Jeff’s strong work ethic and his pride for his school have led him to make numerous contributions to Pulaski County High School’s students, staff and parents. These attributes reflect great credit on himself and the Pulaski County Public School system.
