**Belinda Worrell – Fairlawn Cooperative Transition School**

The selection committee is proud to announce that Ms. Belinda Worrell, custodian at the Fairlawn Cooperative Transition School, has been named Employee of the Month for September 2009.

The students, faculty and administration of the new Fairlawn Cooperative Transition program would like to thank Belinda for being instrumental in ensuring that the Fairlawn program was ready for its opening in the fall of this year. Belinda took a sincere interest in the philosophy of the program and took the lead in preparing the facility for the open houses which were scheduled one week prior to the other schools. Belinda worked diligently to bring a shine to the building - to the floors, the walls, the tables and desks and made sure that every carpet was cleaned. Belinda took pride in her work and pride in the building.

Without Belinda's help in this endeavor the program would not have been ready for its opening. Belinda became a friend to the students, the teachers and administration and was considered part of the family. We were saddened to see her leave Fairlawn, but were honored to have her services, moreover her work ethic, for the opening of our new program.
