

Employee of the Month
February 2010

Joshua Taylor - Information Technology Department

The selection committee is proud to announce that Mr. Joshua Taylor, Network Administrator, has been named Employee of the Month for February 2010. Mr. Taylor is a graduate of Pulaski County High School and New River Community College with associate's degrees in Computer Technology and Networking Technology. He is currently completing his bachelor's degree in management information systems at Liberty University.

Mr. Taylor has been employed by Pulaski County Public Schools' IT Department as a technician, network analyst and network administrator for six (6) years. Mr. Taylor is said to be "easy to get along with, respected by all and extremely knowledgeable" by his coworkers. They also state that he is always willing to go the extra mile to help others. To sum up their nomination, Mr. Taylor's nominators stated that "Josh is the man."
