

**Teacher of the Month**  
**March 2004**

**Dr. Sandra Cauthen – Dublin Middle School**

The selection committee respectfully requests that Dr. Sandra Cauthen, seventh grade mathematics teacher at Dublin Middle School, be named as Teacher of the Month for March 2004. Sandra is a graduate of Marshall University where she received both her bachelor's and master's degrees.

Sandra has taught in public schools for twenty-six years and has been at Dublin Middle School for twenty-four years. Sandra is currently teaching 7<sup>th</sup> grade mathematics on the Topaz team.

She is described as a teacher who cares for all students, and one who encourages each of them to be life long learners. Sandra is an exceptional model of this belief as she completed her dissertation this fall and graduated with her PhD in mathematics from VA Tech.

Dr. Cauthen's contributions to Dublin Middle School's students, staff and parents reflect great credit on her and the Pulaski County Public Schools.
