

SEPTEMBER 2005
TEACHER OF THE MONTH

LINDA WAREING

The selection committee is proud to recommend that Ms. Linda Wareing, first grade teacher at Dublin Elementary School, be named as Teacher of the Month for September 2005. Linda is a graduate of Radford University with a degree in early childhood education. She has been an employee of Pulaski County Public Schools for twelve (12) years.

Linda has distinguished herself as a dedicated teacher who finds ways of helping each student feel respected and important. Ms. Wareing strives to engage each student in active learning and endeavors to ensure that her first graders have a strong foundation for further learning. She models her love for learning by sharing her experiences with her students.

Ms. Wareing was nominated by a family whose daughter was in her first grade classroom. The nomination form included a comment that the family remembers from their experience with first grade. It summarizes the reasons that Ms. Wareing is such an exemplary educator. The parent had commented to her daughter that Ms. Wareing was really good to her, and the daughter looked at her and said: "Mom, she is good to all the kids!"

Her colleagues frequently seek Linda's support and opinions. She routinely encourages them and always has a positive comment or a friendly smile.

Ms. Wareing's dedication combined with her passion for promoting individual worth offer huge contributions to Dublin Elementary School's students, staff and parents. These characteristics reflect great credit on her and the Pulaski County Public Schools.
