

Teacher of the Month
April 2007

Barbara J. Graham – Pulaski Elementary School

The selection committee is pleased to recommend Mrs. Barbara J. Graham as Teacher of the Month for April 2007. Mrs. Graham currently teaches kindergarten at Pulaski Elementary School.

Mrs. Graham is a graduate of Emory and Henry with a Bachelor of Arts Degree in Early Childhood Education. She began her career at Claremont Elementary School and has been an employee of Pulaski County Public Schools for twenty (20) years.

B.J. is recognized for creating a caring and respectful atmosphere for her students, and for her personal attention to each student. Mrs. Graham sets high expectations for her students both as learners and as citizens. Because she treats all of her students with respect, B.J.'s kindergarten students are eager to meet and exceed her high expectations. Her students routinely learn the letters, sounds, and numbers; but more importantly they learn good manners and how to get along with others. Any student lucky enough to have Mrs. Graham for a kindergarten teacher will always have an excellent foundation upon which to build their scholastic careers.

B.J. consistently goes above and beyond in her commitment to her students and her profession, and as such brings great credit to herself and the Pulaski County Public Schools.
