

Read With Me: The RIF® Community Reading Challenge

Virginia Award Winners Snowville Elementary School, Small RIF Site Dublin Elementary School, Large RIF Site

Students at Snowville Elementary School. (Not all award winners are pictured.)

RIF (Reading Is Fundamental) and MetLife recently sponsored a contest encouraging children to read. Students read books for 14 consecutive days and received points for each book completed. At the end of the two weeks, the tally was sent to the contest officials and two of Pulaski County's Schools won!

Congratulations to students at **Snowville Elementary School** for winning the award for most books read at a small RIF site, and to students at **Dublin Elementary School** for winning the award for reading the most books at a large RIF site.

Please join us as we celebrate their accomplishments in reading!

Visit the [RIF website](#) for more details on this contest.
